the Buyer.

- 1) I provide safe and suitable products, I have a current Food And Safety Licence.
- 2) I provide during the deliver a chilled delivery method. The courier is an overnight courier, the products are in an insulated bag, with icebags.
 - a) direct delivery in Auckland OR
 - b) NZ Post courier
- 3) I provide the Buyer with enough information about what is in my food, I labelled the food according to the rules and set a batch number. All information is on the label of the products.
- 4) When the food arrived at the Buyer`s premises, the Buyer is responsible to keep it safe and suitable. In fridge, below 5 C°, separate shelf on the top, or container. On markets need to use foam boxes/chiller boxes, icepacks.
- 5) The Buyer could sell my products directly to their customers on markets, but not to other businesses. (Only I can sell my products directly to business)
- 6) The Buyer can't change anything different to my food, does not change the way your package or label it, but could determine the products with own price.

- 7) The Buyer has to inform me about the event, and place a board, with my business details on. I provide the board, and make an event advertisement about the Buyer on my social media platforms, website, email marketing etc.
- 8) Fair sales.
- 9) According to an average market demand I set a package.
- 10) Individual packages setting is available
- 11) Regularly order notice 5-7 days.
- 12) Payment due after order, before received it. Overdue accounts subject to a service charge of 1% per month.
- 13) Others: _____
